

Swimming at the JCC!

I love to swim at the JCC!

I bring a bathing suit, pool shoes, goggles, and a towel.

I go to the bathroom
before swim.

I change into my
bathing suit in the
locker room and put
clothing into a locker.

I walk to the pool and sit on the bleachers. This is where I wait for swim to begin.

I use the steps to walk into the water.

I put my body into the water.

I like to use the special pool equipment to help me learn and feel safe.

During my lesson I listen
to my swim instructor.

I am so proud when I
finish my swim lesson!

Today was a great day at the JCC Pool!
